

Pago.  
Paradise  
your career.

Pago is an internationally operating premium fruit juice company with on-premise market leadership in several European countries. In order to strengthen our team in **Klagenfurt** we are seeking a reliable person for the following position:

## IT Internship (f/m)

The purpose of this role is the active support of IT-related processes and projects for a period of 6-8 months starting with January 2012.

### The key areas of responsibility comprise:

- Analyses and descriptions of business requirements in cooperation with business departments
- Development and support of new applications in MS SharePoint and MS Office
- Customizing and support of existing MS SharePoint applications

### The personal requirements for this job are:

- Student or recent graduate in the field of IT
- Structured working style and process oriented thinking
- Knowledge in the field of Requirements-Engineering (UML)
- Basic skills in Database-design, HTML, XML
- Knowledge of Windows 2008 Server and Windows Client operating system
- Working knowledge of English
- First working experience in the field of IT and IT-certifications of advantage

We offer a highly varied job, a strong brand as well as a highly motivated young team in an internationally successful company!

If you have the relevant background and if you are interested in joining a passionate, international community of committed colleagues, then please feel free to enter your full application including CV, photo and letter of motivation.

We appreciate if you use our online application form on <http://www.pago.cc> under **Jobs@Pago**.

We are looking forward to your application!
